

J-WMK

Universal Wall Mounting Kit

PRODUCT OVERVIEW

The J-WMK Heavy Duty indoor or outdoor Universal Wall Mount is designed specifically for the BPN Series Base Station Antennas but will accommodate any 1.5" fixture.

Designed for years of trouble free, dependable service the J-WMK Heavy Duty indoor or outdoor Universal Wall Mount is made from rust resistant galvanized steel capable of supporting up to thirty pounds (30 Lbs). The J-WMK is easily installed by one person and requires minimal tools. Ideal for applications such as TV, Weather Stations, CB or Ham radios, speakers, or emergency lighting or anything requiring a durable mounting system.

Mounting hardware not included.

Visit our [eStore](#) to purchase an Antenna Online.
